xTablet T1690

xTablet T1690: Built to Perform Anywhere

Take on demanding industries with the rugged and powerful T1690. Cold temperature certified to perform in conditions as low as -4°F (-20°C) with an IP65 rating to combat dust, water, snow and moisture along with a large 1000-NIT display allows the T1690 to tackle the most demanding jobs, both inside or out. This tough as nails tablet is built solid to survive accidental drops and the constant vibrations from life on a forklift making it ideal for warehousing, logistics, public service and more.

PROVEN RUGGED

MobileDemand devices must pass rigorous military standards to prove durability. The xTablet T1690 has met stringent standards and is ready to work in today's most demanding environments.

SUNLIGHT VIEWABLE

Work efficiently in both indoor and outdoor environments, even in direct sunlight, thanks to the high resolution 11.6", 1,000-NIT, 10-point multi-touch display.

HIGH PERFORMANCE

The xTablet T1690 features the latest technology advancements: 12th Gen Intel® Core™ processor, Wi-Fi 6E and Bluetooth® 5.2.

MOUNTING

The xTablet T1690 thrives when paired with the all-encompassing mounting ecosystem. The mount withstands the constant vibrations common on forklifts, while direct-wire kits ensure the device is always powered up.

Features

- 11.6" FHD Display
- 12th Gen Intel® Processor
- IP65 Sealed
- MIL-STD 810G 4' Drop
- Bluetooth 5.2 & GPS
- XL Battery Option

Accessories

- Powered Dock
- Unpowered Holder
- Office Dock
- Direct Wiring
- Multiple Battery Charger

Warranty

The xTablet T1690 comes with a 3-year warranty that covers hardware failure when the tablet has been used as designed. In addition, MobileDemand offers extended coverage with xProtect.

xTablet T1690 Specifications
